

Ladies Old Blue Girls Sporting Club (OBGSC)

The aim of this club is to allow female Old Blues of all ages to get together to play sport. We hope that this club will grow into a community who enjoy playing sport together however out of practice they may be! Please do get in touch if you would like to play and/or spectate at the next fixture.

The first sporting fixture took place on September 2007 and was a great success, see below for match report.

OBGSC v Hazel Rowland-Jones XI - Match Report

On the 22nd September The Old Blues Ladies Sporting Club made history by playing their very first game as an Old Blues side against current pupils and staff. A collection of Old Blues made it down for the game, leavers dating from 2000 - 2007. It was a wonderful opportunity for the younger ladies to play with senior players they would have once watched at Christ's Hospital. The game started with a 'playing for fun attitude' but the rivalry soon emerged when the Old Blues went 1-0 up in the first half showing some of the staff just how it should be done!

The celebrations didn't last for long as the staff and pupils came out to score early on in the 2nd half with a well worked goal. With an ongoing battle occurring across the pitch the Old Blues shuffled several positions and managed to earn themselves the lead once again with a brilliant 2nd goal.

Annie Charman attacks!

As the sun got hotter and the fatigue began to kick in it was clear the staff and pupils would have to pull something out of the bag to secure a draw in the game, in this case it was the dubious decision from the umpires rewarding the staff and pupils a rather suspect goal to even the match 2-2. It was then off to the Ball.....Well done ladies.
