Personal Update Form 2011

Dear

MAJOR NEW SURVEY OF OLD BLUES

It seems timely, nearly ten years since our last full survey of Old Blues, to update the information we hold about you. This will enable us, for example, to send you appropriate information and to tailor our programme of events and activities to reflect your interests.

In 2002, when we last conducted a major survey of all Old Blues and revised the first paper version of the Who's Blue directory, your response was tremendous. We gained valuable understanding of where you were, what you were doing and the ways in which you wanted to be involved with Christ's Hospital.

Improving our knowledge of the careers of our Old Blues will enable us to demonstrate the success of Christ's Hospital to potential supporters and to plan the re-launch of the Careers Network which aims to help young Old Blues into the work place.

To help us attract new students, our Marketing Department is currently looking for examples of the achievements of differing groups of Old Blues and we are frequently asked to find Old Blues who have distinguished themselves in their chosen field of endeavour.

A form is attached which is pre-populated with information that we currently hold. Please feel free to correct it. We would also appreciate it if you would complete as much of the remainder of the form as possible. A pre-paid envelope is enclosed to make it simple to return the form to us.

I hope you will take part in our 2011 survey of Old Blues. A good response will give us the best chance of ensuring the most appropriate communication with you. Of course we also welcome any additional thoughts and ideas you may have.

We look forward to hearing from you.

Yours sincerely

Lesley Humphreys
