June 2007

The Old Blues Golf Society attracts golfers mainly from London and the South of England to its events.

The Society has decided to offer an additional event at a central venue where Old Blues can fly into to play Golf from all over the world! **You can also bring your families.**

Group Holiday to the Belle Mare Plage Resort, on the island of Mauritius, 10th to 24th May or 17th to 31st May 2008.

We will book with Sophie Ramjeeawon (Senior Sales Consultant) Chaka Travel in Northern Ireland. (If an Old Blue is in the Travel Business and can match or better this price we will go with them).

I organised a similar holiday in May 2006 to Mauritius with a group of 15 friends with this Travel Agent and it was very well organized. The Hotel was better than the usual 5* and the package offered excellent value for money.

The Island of Mauritius, set in the Indian Ocean, lies East of the Island of Madagascar.

The Belle Mare Plage Hotel

It is a superb resort with a relaxed informal atmosphere which I can't recommend highly enough.

It is an ideal resort for all types of holidaymakers including golfers, water sports enthusiasts and families.

The Hotel is situated directly on one of the islands finest beaches. It is protected by a coral reef which makes it perfect for swimming and water sports. Combine this with excellent cuisine and regular live entertainment and dancing you'll be excused for thinking you're in paradise!

Rooms: The Belle Mare Plage hotel has 235 rooms of different categories distributed in 3 levels (Ground Floor, First Floor and Second Floor), the 92 sea facing **prestige rooms** (the least expensive) are located on the south wing of the resort. Each room has access to a private terrace/balcony, bathroom, hair-dryer, TV with VCD, Satellite TV channels, music channels, Play-station II (for rental), internet access, minibar, individual safe, room service and a sitting area. Room service is available 24 hrs a day. Its area provides enough comfortable space to accommodate a maximum of 3 persons.

Free Golf

There is unlimited **free** golf on two 18-hole championship courses and also on the 9-hole Gary Player course at neighbouring St Geran hotel. Also nearby is the very well known 'The One & Only Le Touessrok Golf Course. It is quite expensive but well worth a round.

Free Sports & Leisure Facilities

The Boat House offers a wide range of **free** water sports activities:

Water skiing, Glass bottom boat trips, Sailing (Lasers), Wind surfing,
Pedalos, Kayaks, Snorkelling.

Available but charged for: Para sailing, Banana boat, Small game fishing, Scuba Diving, Deep-sea Fishing, Excursions in the Lagoon, Under sea walk.
